

REMARKS/ARGUMENTS

The Notice of Non-Compliant Amendment indicated that a complete listing of all of the claims was not present in the previous amendment filed on November 30, 2007. Specifically, an indication that claims 1-24 had been cancelled from this case was not indicated in the listing of the claims.

It is believed that the filing of this amendment renders the amendment filed on November 30, 2007 compliant with all of the requirements of 37 CFR §§ 1.121 and 1.4, and that as a result, the examination of this case should proceed.

Should the Examiner believe that this amendment does not render the amendment filed November 30, 2007 compliant with all of the requirements of 37 CFR §§ 1.121 and 1.4, the Examiner is courteously requested to contact the undersigned at the number given below to advise what further amendments are required in this case.

It is believed that no additional fees are necessitated by the entry of this Amendment. However, if any additional fees are necessitated by the entry of this amendment, authorization is hereby given to charge such fees to applicant's Deposit Account No 50-0852.

Respectfully submitted,
